Happy New Year!!

Welcome to Mail bid #74. This is the first of three for 2008. The other two are scheduled for May and September.

We will continue to place an asterick before the items that are pictured. Also, I will continue to give a range of what I believe the item should sell for, and place a minimum on every lot that is approximately 75% of the low range number.

Some of the highlights of this sale include a New Hampshire Civil War I.D. tag, and a numbered Federal Civil War campaign medal; several scarce and high-grade So-Called Dollars; a near mint Harrison and Reform sulfide brooch; an Indian \$10 gold pendent; a large California natural gold and quartz nugget; several U.S. Mint medals including an early Life Saving medal; plus several multiple lots that should generate bids in the \$10 range.

Hopefully there will be something in the sale for you.

Bob Moffatt

Happy New Year!
